OMARI MAHALA USD BUNDLE

Terms & Conditions

- Normal USD wallet limits apply i.e. US$500 per transaction and US$2000 per month.
- IMT Tax of 2% will be applicable for Visa Transactions, Send money (including to Omari), Merchant and Bill payment transactions above US$5.
- Customers will need to opt in to access the bundle.
- The bundle is renewable on a recurring basis with the bundle being valid for a month.
- A customer can transact beyond the bundle limit as long as it is within the global monthly limit of the wallet. Normal USD charges will apply for transactions above the bundle limit.
- Once a customer exhausts the limit for the opted in bundle, the customer will default to the default USD pricing.
- Customers who do not opt in to a bundle will be charged at the default USD wallet pricing.
- The bundle is available to all Omari USD wallet customers via USSD *707#, mobile app and WhatsApp.
- The notifications will be sent to customers on the pending renewal of the bundle.
- All other transactions not covered in the bundle will be charged as per approved USD pricing model.
- The bundle does not include 3rd party charges such as Zimswitch fees, the customer will pay for the 3rd party charges.
