

OLD MUTUAL FLEXI FUNERAL PLAN (ZWL)

KEY PRODUCT FEATURES

OLDMUTUAL

DO GREAT THINGS EVERY DAY

There are important things that need to be done when someone dies and having a flexi funeral cover can make all the difference. The Old Mutual flexi funeral plan offers you peace of mind knowing that you, your immediate and extended family will be laid to rest with dignity and love. It is an annually renewable funeral policy that pays out a cash benefit to cater for funeral expenses.

This is a summary of the key features of Old Mutual Flexi Funeral Plan to help you to decide if you want to buy this product.

Please read this with the About Old Mutual Flexi Funeral Plan key features document to understand the common product features, exclusions and other insurance terms we use.

These documents do not replace the legal terms and conditions in the Product and benefit rules, which we will send to you if we accept your application.

KEY FEATURES

- Pays the cover amount during a valid term:
 - when you die because of an accident (such as a car accident)
 - on non-accidental death (such as illness or old age)
- Waiting period of 3 months (age 0-65) 6 months (age 66-75)
